# Overview

**Part 1: Do UNL faculty differ from faculty at peer institutions?**

Peer comparisons only for *pre-tenure* faculty

University of Illinois at Urbana-Champaign,

University of Iowa, Iowa State University,

University of Kansas, Ohio State University

**Part 2: Within UNL, do women differ from men? Are there differences by rank?**

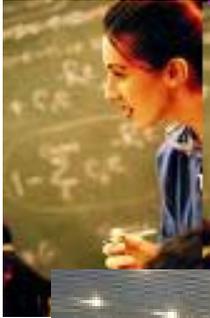

# THE COACHE SURVEY

- **COACHE: Collaborative on Academic Careers in Higher Education**
  - Co-PIs: Cathy Trower, Kiernan Matthews, Harvard Graduate School of Education
  - **COACHE usually surveys pre-tenure faculty in all departments. We're unique.**
  - COACHE is designed to survey academics about academic issues and life

# Peer comparison questions

Are assistant faculty in STEM departments at UNL better off, worse off, or no different from faculty at PEER institutions?

Does the answer differ by gender?

# Parts of the COACHE Survey

**1. Demographic**

**2. Tenure & Promotion Clarity & Reasonableness**

**3. Nature of the Work:** Satisfaction with time allocation, quality of support services, teaching & research loads

**4. Policies & Practices:** Importance and effectiveness of work-life policies and professional development

**5. Climate, Culture and Collegiality**

**6. Global Assessments**

# Caveats

Highlights – details available upon request

Small Sample sizes

UNL men	= 28	Peer men	= 188
UNL women	= 9	Peer women	= 26

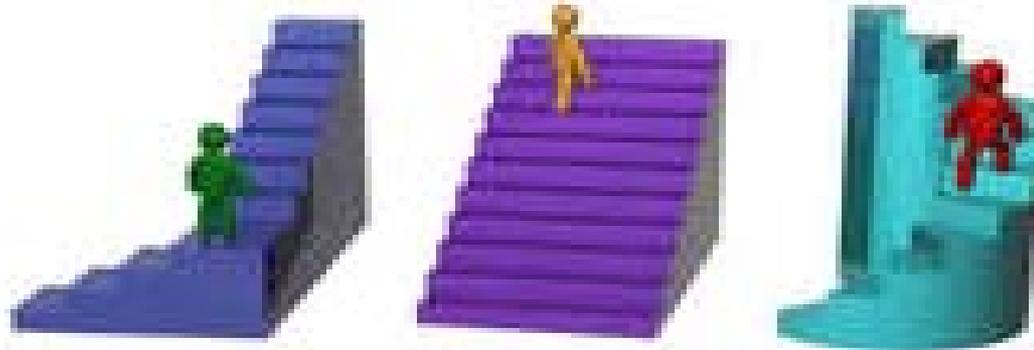

# Three kinds of comparisons

1. UNL compared to PEER
2. Men at UNL compared to men at PEER institutions
3. Women at UNL compared to women at peer institutions

# First the tenure process

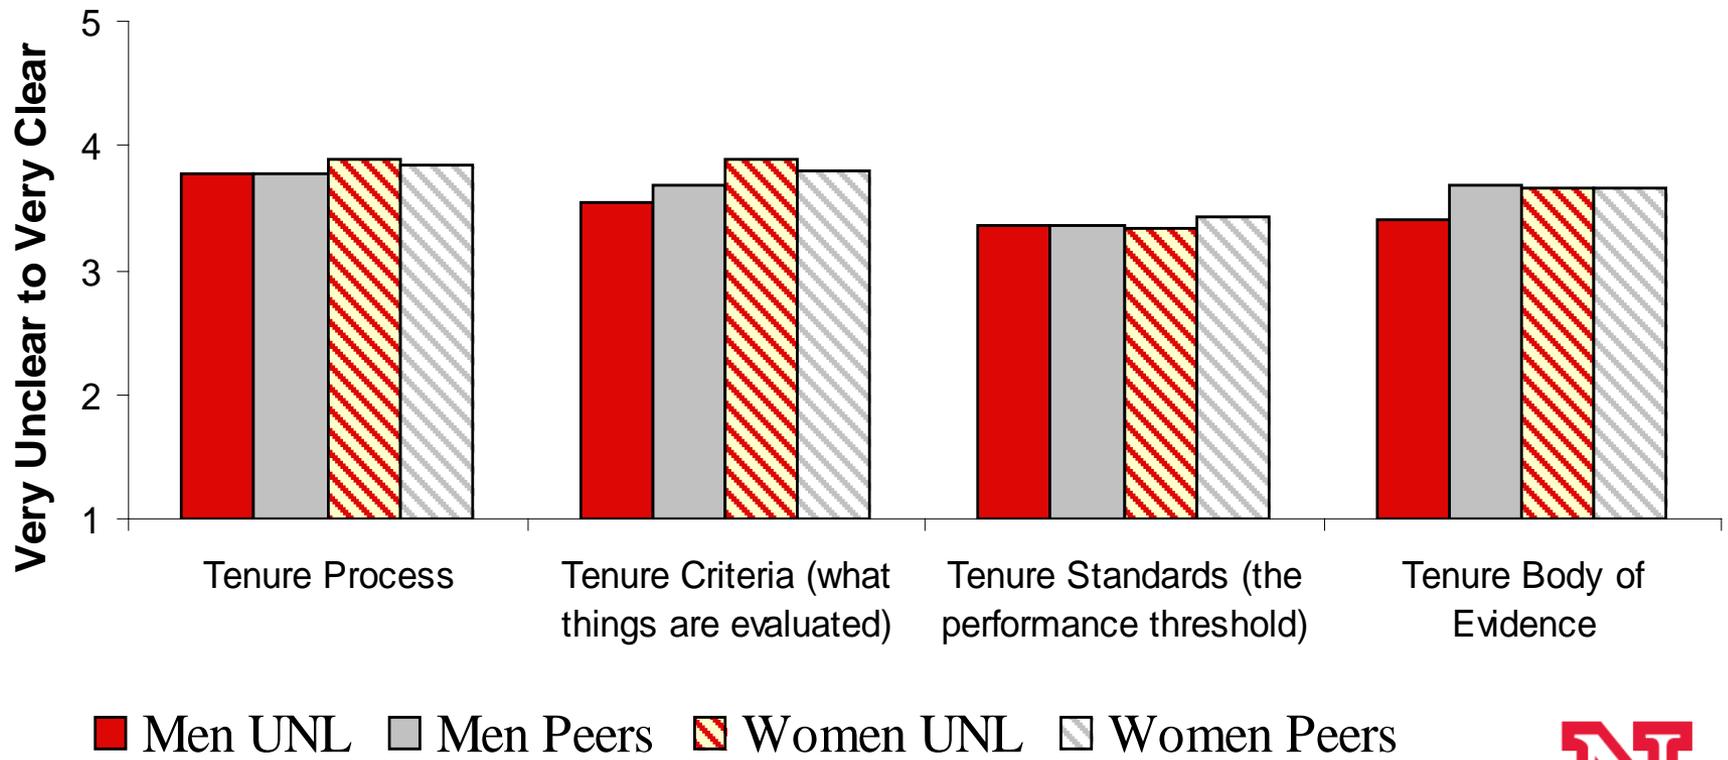

<b>This set of items addresses various aspects surrounding tenure and promotion in your department.</b>	Not Applicable	Very clear	Fairly clear	Neither	Fairly unclear	Very unclear	Decline
19. I find the tenure <i>process</i> in my department to be...	<input type="radio"/>						
20. I find the tenure <i>criteria</i> (what things are evaluated) in my department to be...	<input type="radio"/>						
21. I find the tenure <i>standards</i> (the performance threshold) in my department to be...	<input type="radio"/>						
22. I find the <i>body of evidence</i> that will be considered in making my tenure decision to be...	<input type="radio"/>						
23. My sense of whether or not I will achieve tenure is...	<input type="radio"/>						

# Clarity of the tenure process....

## No differences

# Is what's expected in order to earn tenure clear to you regarding your performance as:

... a scholar (e.g., research and creative work)?

...a teacher?

...an advisor to students?

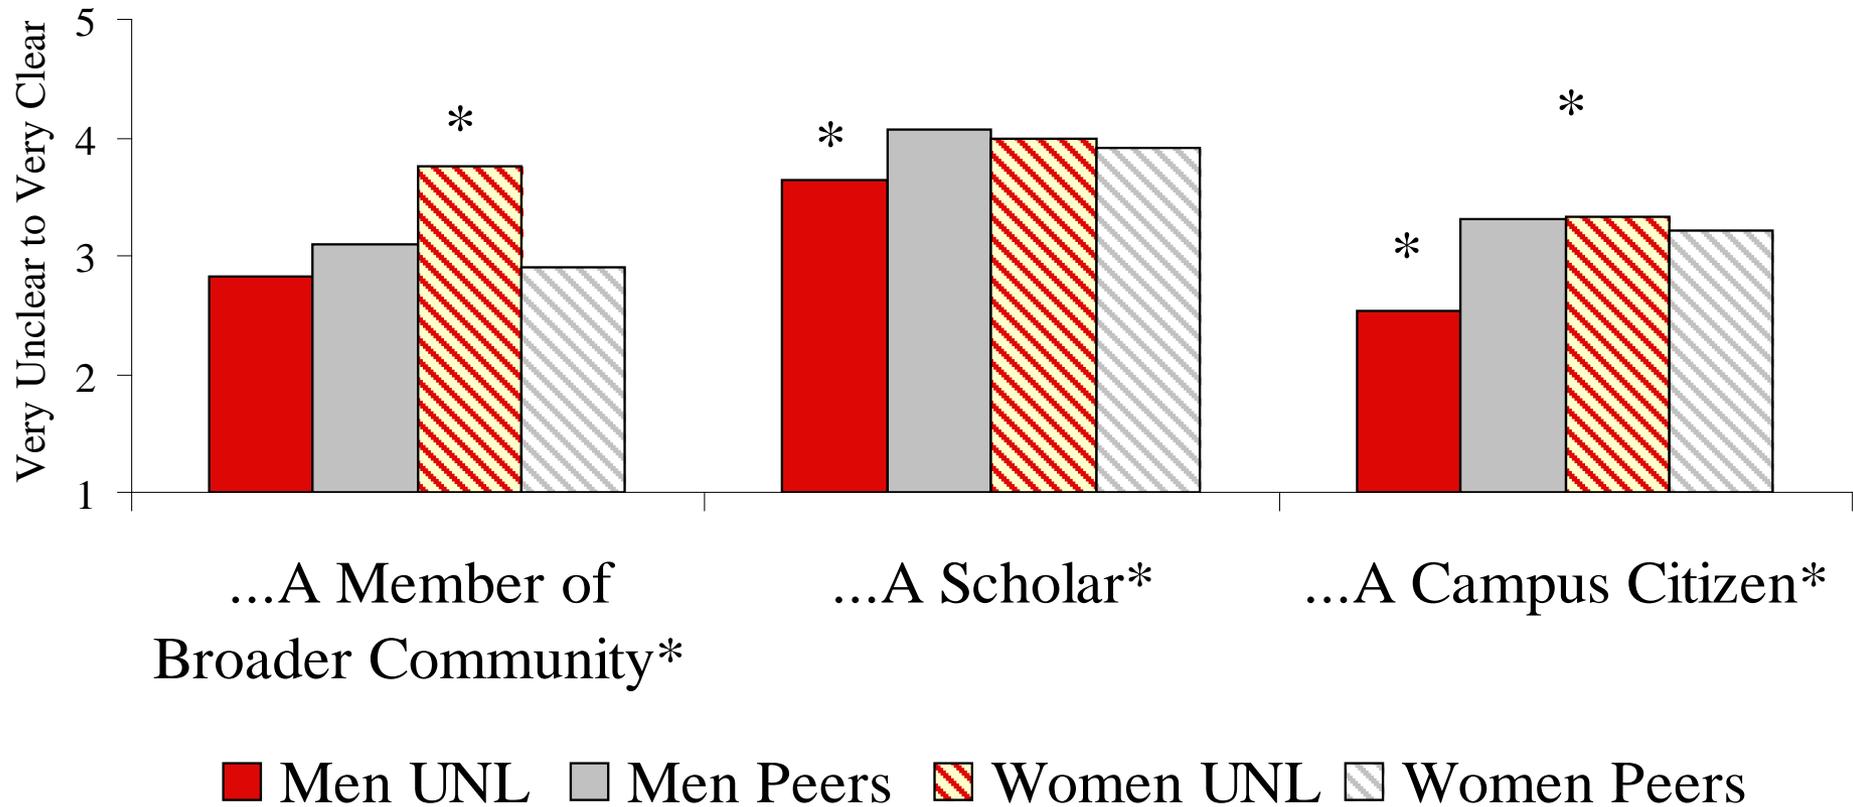

...a colleague in your department

...a campus citizen?

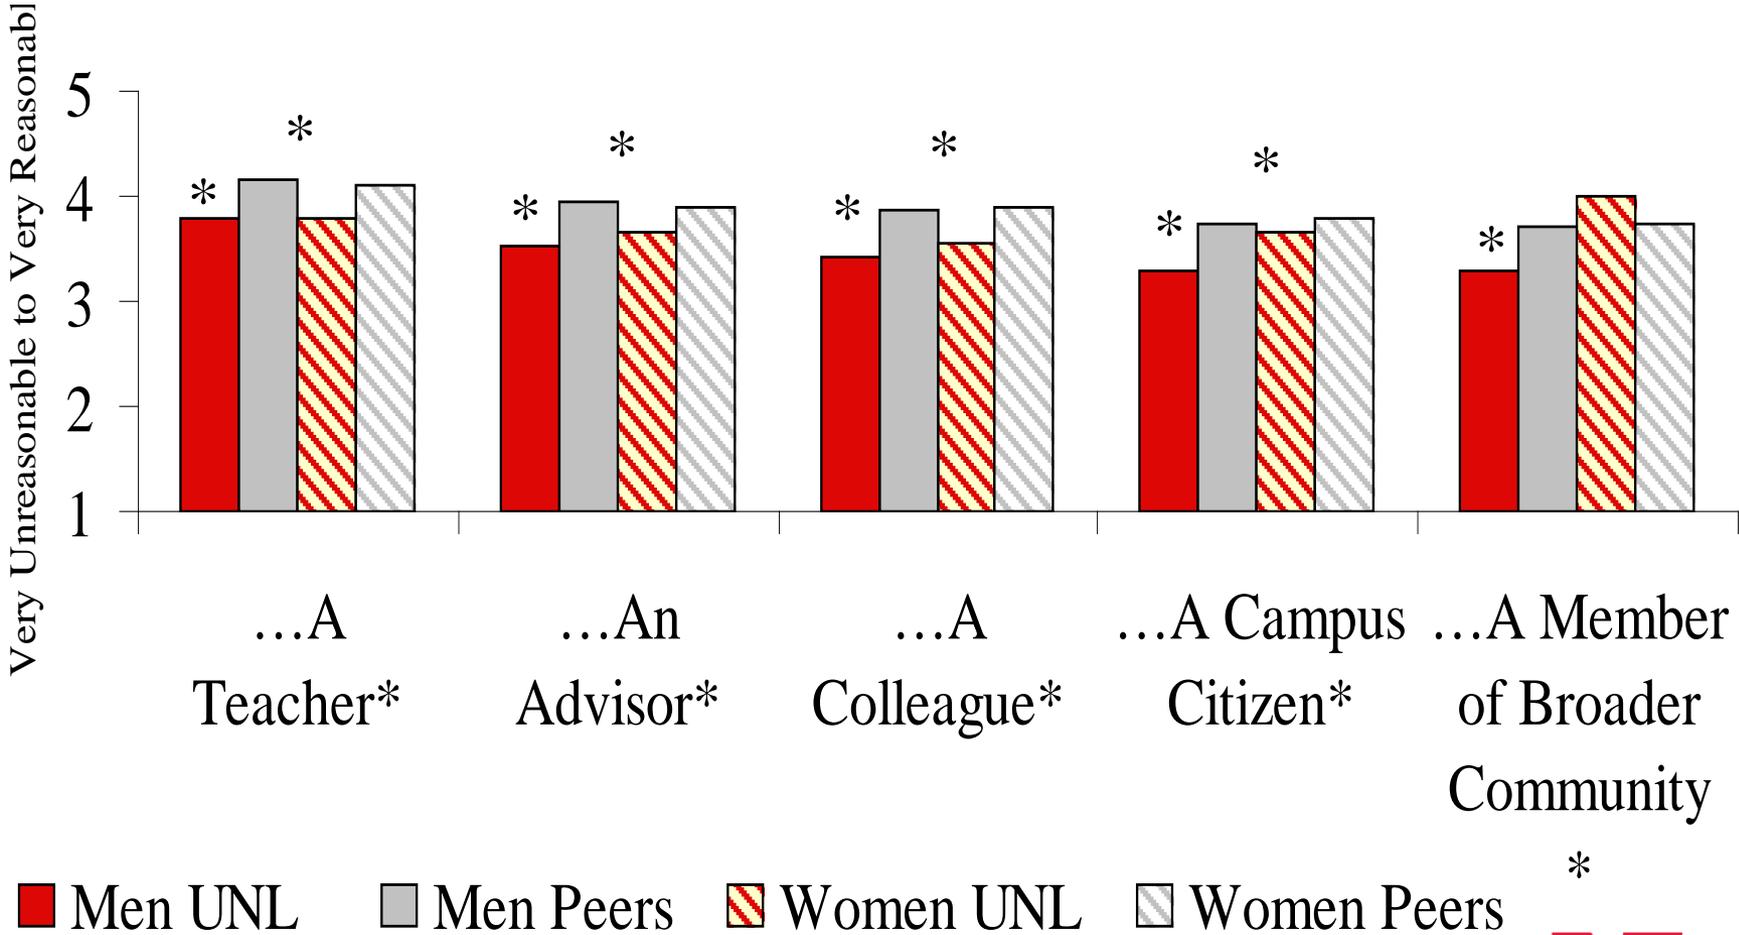

...a member of the broader community (e.g., outreach)?

# Do the clarity of particular tenure expectations differ? Some...

# Do perceptions of the reasonableness of tenure differ? **Yes**

“I have received consistent messages from tenured faculty in my department about the requirements for tenure.”

**Not significantly different**

“In my opinion, tenure decisions here are made primarily on performance-based criteria rather than on non-performance-based criteria.”

**UNL = 4.19 >\* PEER = 3.73**

# Next: NATURE OF THE WORK

The survey asked:

“The next set of items explores your day-to-day activities as a faculty member. Please indicate your level of satisfaction or dissatisfaction with the following aspects of your work”

# Are there differences with satisfaction in aspects of *teaching*?

**NO**

**...Level of courses**

**...Number of courses**

**...Degree of influence over students**

**...Discretion over course content**

**...Number of students**

# Are there differences with satisfaction with aspects of *work in general*?

**NO**

...Way you spend your time

...Number of hours a week

...Amount of time on research

...The amount of external funding expected to find

...Influence over the focus of research

# Next: Importance & Effectiveness of Policies & Practices

# Open-Ended Responses: Best about Specific Position

- Quality of core of faculty
- Variety of work
- Freedom to teach/research
- Interaction with students
- Interactions with colleagues and students

# Summary

- Gender shapes faculty experiences differently in different ranks
- Shows the need to “control” for potential confounding variables.

# Open-Ended Responses: Best about UNL

- Spousal hiring possibilities (not a program, but my department makes a lot of effort)
- Research & Teaching opportunities
- Support by upper administration for growth in the area of research
- Career advancement

# Summary of Gender by Rank

## Clarity of the tenure process

A colleague:

- Women: Assistant > Associate > Full
- Men: Full > Assistant > Associate

A campus citizen

- Men: Full > Associate

## Satisfaction with aspects of work

The number of students you teach

- Women: Associate > Assistant > Full
- Men: Full > Assistant > Associate

The way that you spend your time

- Women: Assistant > Associate > Full
- Men: Full > Associate Assistant

Opportunities to collaborate with pre-tenured

- Women: Assistant > Full > Associate
- Men: Full > Associate > Assistant

## Policies and Procedures

My Institution helps make family and career compatible

- Women: Assistant > Associate = Full
- Men: Full > Assistant = Associate

Importance of formal mentoring

- Women: Assistant > Full
- Men: Assistant = Full

Importance of informal mentoring

- Women: Associate > Assistant
- Men: Assistant > Associate

## Global

- Academic Freedom: All 6 groups
- Quality of Colleagues: All but associate women
